

We invite you to join us as we BUILD ON SUCCESS in 2019!

Relentless Volleyball Club provides opportunities for young ladies in our community to participate in high quality and cost effective club volleyball travel teams. We have a track record of competitive success while motivating our players to use volleyball as a tool to sustain life-long health and fitness habits. Our dedicated staff know that developing local young ladies extends beyond the sport and into our community. We are committed to helping our players improve and grow as young women, not just as athletes.

Based in State College, Relentless is the travel branch of our I Play Volleyball program which served over 300 youth in Central Pa as well as the greater Dubois area in 2018. We have a vested interest the greater community of Central Pennsylvania. Students from all school districts are welcome. During the 2018-2019 season, we are proud to serve athletes from Bellefonte, Bald Eagle Area, Brockway, Clarion, Dubois, Huntingdon, Mifflin County, Mount Union, Penns Valley, Philipsburg-Osceola and State College school districts as well as St. Josephs' Academy and Grace Prep.

Participation in competitive sports can have life-long benefits for young women. Studies have shown that a large percentage of highly successful women in business played competitive sports as youth. Sports participation promotes physical fitness; builds confidence and teaches discipline, team work, perseverance, determination and hard work. Our club equips young ladies to be successful on and off of the court. Higher level Relentless teams also afford girls exposure to college coaches which can open tremendous doors of educational opportunities.

As a local sports club our primary revenue is generated from club dues. We are seeking sponsorships from generous donors and businesses to keep club costs affordable to as many players as possible. Sponsorships will last throughout the 2019 year and reach an audience of passionate volleyballers! This includes our 107 Relentless 2019 players as well as 2020 tryouts and team formation. You can reach two seasons of Relentless players with one full year sponsorship! This will also cover our Spring and Fall programs and Summer camp seasons. Over 300 kids participated in IPV/Relentless programs in 2018. In the past year we have had over 5,300 visitors to our IPV/Relentless web-site and more than 11,400 site visits. Sponsorships can be renewed in Jan. 2020.

We hope that you will review the following information and chose to partner with us. Partnering with Relentless provides you an opportunity to contribute to the personal, social, mental and physical well-being of young ladies in the Centre Region.

Thank you for your consideration,

Todd Horner
Relentless Club Director

RELENTLESS... (def.) *determined, and never stopping in your attempts to achieve something*
